Created for Homestead Valley Land Trust by Ben Pease and Marabeth Grahame. This is an update of HVL's original trail map by E. Stoetling (drawn 1976, updated 2003). The base map is adapted from the map *Trails of Mt. Tamalpais, Muir Woods and the Marin Headlands*, by Gerald W. Olmsted, now published by Pease Press (www.peasepress.com). (Available at the Depot Bookstore and Muir Woods).

Trailheads & Map Junctions

All junctions are numbered. Not all junctions have trail markers. On the map, junctions marked with filled circles indicate trail markers.

Main trail junctions are numbered down each side of Homestead Valley - **1, 2, 3...**

Branch trail junctions are numbered out from where they intersect a Main trail - **6a, 6b...**

Trails are numbered separately in three groups, **Homestead** on South side of valley, **Stolte** through Stolte and Three Groves and **Pixie** on North side of valley.
